**TOWNSHIP COUNCIL MEETING  
JULY 8, 2015**

The meeting of the Springfield Township Council was called to order by Mayor McDaniel with Council Members David Frank (arrived 7:33 P.M.), Anthony Marinello and Peter Sobotka

present. John Hlubik was absent. Also present were Township Manager Paul Keller and Solicitor Brian Guest

The Sunshine Notice was read:

"Public notice of this meeting pursuant to the Open Public Meetings Act has been given by the Springfield Township Council in the following manner on January 7, 2015:

- a. Posting written notice on the official bulletin board at the Municipal Building, Jobstown, NJ
- b. Transmitting written notice to the Register News and the Burlington County Times
- c. Filing written notice with the Clerk of Springfield Township
- d. Mailing written notice to each person who has requested copies of the regular meeting schedule and who has prepaid any charges fixed for such services."

Mayor McDaniel led the salute to the Flag.

Mr. Frank made a motion seconded by Mr. Marinello to approve the minutes of the June 10, 2015 regular and executive sessions.

Mr. Frank question 2015-02 the paragraph that states "all new hires as of the effective date of this Ordinance" and expressed concern that it should read as of the effective date of the 2011 Ordinance. Mr. Guest stated that there is no gap so it should not be a problem but the language could be clarified in next year's salary Ordinance.

All were in favor, except Mr. Sobotka who abstained. Motion carried.

### **PUBLIC COMMENT ON AGENDA ITEMS**

Seeing no one in the public Council moved onto item number 7 on the agenda.

### **ORDINANCES FOR PUBLIC HEARING**

Motion made by Mr. Frank and seconded by Mr. Marinello to open the public hearing on Ordinance 2015-04. All were in favor. Motion carried.

Hearing no one for public comment, Mr. Frank made a motion seconded by Mr. Marinello to close the public hearing. All were in favor. Motion carried.

Mr. Sobotka asked why this Ordinance was being amended. Mr. McDaniel explained that the Columbus Farmer's Market is required to put in sprinkler systems in the portion of the building being rebuilt from the fire and while even though the Solicitor felt the Ordinance allowed for this type of water connection the State did not agree. Mr. McDaniel added that the Ordinance amendment is to allow for the Market to move forward in accordance with current State regulations to be able to provide a fire suppression system by connecting to the water line. Mr. McDaniel clarified that despite the Ordinance any party would still need to come before Council for approval. Mr. Guest added that he explained this to Mr. Pratt from the Market and advised them that when they are ready to get a permit they would still need to request permission from Council.

Motion made by Mr. Frank and seconded by Mr. Sobotka to adopt Ordinance 2015-04.

Roll Call: Mr. Frank – yes; Mr. Marinello – yes; Mr. Sobotka – yes and Mr. McDaniel - yes. Motion carried.

**ORDINANCE NO. 2015-04**

**AN ORDINANCE AMENDING CHAPTER A221,  
ENTITLED "WATER FRANCHISE"**

**WHEREAS**, the Township Council has determined that clarification to Chapter A221, Section 2 is required to make clear that the granted franchise includes connection of fire safety sprinkler systems under certain conditions where the governing body determines that such installations are in the interest of public safety;

**NOW, THEREFORE, BE IT ORDAINED AND ENACTED** by the Township of Springfield in the County of Burlington and State of New Jersey that Chapter A221, Section 2 is amended by adding the following sentence to the current text:

"In addition, said consent, award and grant shall include the connection of fire safety sprinkler systems with regard to the retrofitting of existing structures or reconstruction of structures damaged or destroyed by casualty where the Township Council approves such a system as in the interests of public safety."

**AND BE IT FURTHER ORDAINED AND ENACTED**, that any provisions of the Township Code that are inconsistent with the foregoing amendment are repealed to the extent of any inconsistency;

**AND BE IT FURTHER ORDAINED AND ENACTED** that this Ordinance shall take effect twenty (20) days following adoption and publication according to law.

**RESOLUTIONS**

Motion made by Mr. Frank and seconded by Mr. Marinello to approve Resolution No. 2015-07-01. Mr. Frank asked why only two licensees are on this Resolution and Ms. Clayton explained that the State went to an online filing system for applications and that the deadline for filing was extended until September. All were in favor. Motion Carried.

Motion made by Mr. Frank and seconded by Mr. Marinello to approve Resolution No. 2015-07-02. Mr. Sobotka stated that in the document it mentions that Management has the right to consult other Auditors and he has mentioned before that we should consider using a new Auditor for fresh eyes. Council discussed that the paragraph refers to using other Auditor's in addition to this one and Mr. Guest added that this is standard language and different from appointing a new Auditor. Mr. Keller did suggest that Council get a report from the CFO and may want to reconsider using a new firm next year based on her recommendation. Council discussed the problem with the Tax Collector and Mr. Keller stated that this issue has been taken care of and will be done on regular basis going forward. Mr. Keller added that this problem was with the previous Tax Collector. Mr. Marinello stated that he does not like the language in the Resolution that states "Council can't fail or refuse to obey an order from the Director" because the paragraph does not clarify as it relates to finances. Mr. Guest stated that this language is directly from the Statute and can't be changed. All were in favor. Motion Carried.

### **CORRESPONDENCE**

None.

Motion made by Mr. Frank and seconded by Mr. Sobotka to approve the application for an amusement license by Haunted Endeavors LLC. Mr. Sobotka stated that they never made their donation as promised last year and Mr. Sobotka wanted to know if we could tell them that it was not done. It was discussed that Council can't force an applicant to make a donation.

### **SOLICITOR REPORT**

Mr. Sobotka stated that a plan had to be submitted by July 8<sup>th</sup> to the Courts for Affordable Housing and he wanted to make sure we were in compliance and Mr. Guest responded that we were actually in compliance before the Supreme Court Order came down.

Mr. McDaniel asked about the two houses on Jacksonville-Jobstown Rd. and Mr. Guest responded that the appraisal reports have been ordered but attempts to reach the owners have not been successful. Mr. Sobotka would like an action plan with time frames to be put in place and Mr. Guest stated that the process is regulated by Statute and the Judge is good with how the Township is proceeding. Mr. McDaniel asked if we know how many towns Judge Bookbinder is overseeing and Mr. Guest responded that he is in charge of all the cases in Burlington County and he believes most of the municipalities in the County have applied.

Mr. Frank made a motion seconded by Mr. Sobotka to accept solicitor's report. All were in favor. Motion carried.

### **MANAGER'S REPORT**

Mr. Keller stated that he had nothing to add to his written report.

### **TOWNSHIP OFFICIAL'S BUSINESS**

Mr. Frank stated that he went out to Mt. Pleasant Rd. and there are 40 trees marked and starting with about tree 34 there are some significant trees and we may want to consider saving some of them. He added that we need to ask the Engineer if we really need to take down these trees to achieve the project and maintain public safety. Mr. Frank added the other thirty or so trees should be removed. Mr. McDaniel asked how far back the trees are and Mr. Frank responded that some are close to the road way but others are about six feet back and he is not sure why they are on the plan. Mr. Guest stated that there may be recommendations that the engineer may be following regarding the removal of trees to allow for safety issues. Mr. Keller stated that we will not have the money to remove all the trees so Council may want to remove some of the trees that Mr. Frank has pointed out and leave the rest. Mr. Frank added that one of the trees he saw may need to be cored because it looked like it had been hit. Mr. McDaniel stated that he discussed it with the Engineer today and he said there is some flexibility. Mr. McDaniel asked if there is any lumber value and Mr. Marinello responded that is usually worked into the price.

Mr. Sobotka asked if there is going to be fog lines on the roads and Mr. Keller responded that there would be. Mr. Sobotka asked if we could add fog lines on the other part of Mt. Pleasant

Rd. from Rt. 68 to 545 because it is a curvy road that needs fog lines. Mr. Frank asked if there is enough road to paint on in that section. Council discussed the traffic and speed on Mt. Pleasant Rd.

Mr. McDaniel asked if we are satisfied to go out to bid and Council agreed that we are. Mr. McDaniel asked if we should fix the spur on Smithville Rd. when that is paved and Mr. Keller recommended doing that because otherwise it will not look good. Mr. Frank made a motion seconded by Mr. Sobotka to authorize the Engineer to go out to bid. Mr. Keller stated that the Engineer advised him that he is ready to go out to bid now. All in favor. Motion carried.

Mr. McDaniel asked if anyone knows how far the County is paving on Juliustown Rd. and Chief Trout responded from Monmouth Rd. all the way to Main St. in Juliustown. He added that they should be finished most of the project by next Thursday.

Mr. McDaniel stated that the County is going out to bid on the bike path from Mansfield to Veteran's Park. Mr. McDaniel asked what they are going to do about the bridge and Ms. Robbie informed him that they are going to keep the bridge and share the road with the bikes and vehicles. Mr. Frank looked at that area and he does not agree with what the County said about the road being constrained because of wetlands. Mr. McDaniel stated that Mr. Guzzi is going to try and get a copy of the bid package.

#### **PUBLIC COMMENT**

Hearing no further comments, Mr. Sobotka made a motion seconded by Mr. Marinello to close public comment. All were in favor. Motion carried.
